

# Downtown Annapolis Holiday Parking FAQs

## FAQs

Annapolis  
Holiday Parking

### **How do I get free holiday parking downtown?**

Park at any metered or kiosk space in downtown Annapolis, use the ParkMobile app, and get two hours free. You may opt to extend your time at the regular rate. Park at [Hillman Garage](#) (150 Gorman Street), use the ParkMobile app and the first hour is free. The program lasts from Thanksgiving Day through New Year's Eve.

### **How do I get the ParkMobile app?**

To download ParkMobile, visit the app store on your iOS or Android smartphone and search for "ParkMobile." After downloading, we recommend following the prompts in the app to input your driver's license and vehicle information before driving downtown to save time.

### **What if I want to park longer than the free time allotted?**

Extend your parking session for an additional hour at the regular rate in the ParkMobile app. You may enable ParkMobile to send notifications to your smartphone before your free parking session expires.

### **Do I have to use an app to get free parking?**

Drivers without a smartphone may use the call-in number 877-727-5758 for free holiday parking. Provide the tag number and the parking zone code found on signage closest to your parking spot.

### **Can city residents still get 2 hours free parking in city-owned garages?**

Annapolis residents can get codes valid for two hours of free parking at Gotts, Knighton, Park Place and Hillman garages. Proof of residency required. For Hillman garage validations, [visit this link](#). For [Gotts](#), [Knighton](#) and [Park Place](#), contact SP+ (Annapolis Parking) at (443) 648-3087 or [annapolisparking@spplus.com](mailto:annapolisparking@spplus.com), or visit their office at 60 West Street, Suite 106.

### **How does Park Shop & Dine work?**

Visitors can get up to 4 hours of free garage parking at Gotts, Knighton, Park Place or Hillman when shopping or dining at participating Park Shop & Dine businesses. See the complete list of downtown restaurants

and shops at [this link](#). Check that the business you visited validates for the garage in which you have parked.

**Can I charge an electric vehicle?**

All City-owned garages (Park Place, Knighton, Gotts and Hillman) have EV charging stations. Learn more here <https://www.annapolis.gov/1805/Electric-Vehicle-Chargers>.

**Is accessible parking available?**

If you have a disabled use license plate or hang tag, you may park on the streets for double the time posted. As required by federal law, accessible parking is available in all City garages (Hillman, Gotts, Knighton and Park Place). Additional on-street accessible parking is marked as accessible.
